

IHI

MINI ROUND BALER

MRB0855T

MRB0855T
MRB0855N

**EASY OPERATION
WITH CONTROL
BOX**

**You can operate
our mini round baler
from the tractor cabin**

- ❑ New net binding system promises producing bales quickly and increasing productivity.
- ❑ Net bound bales can be piled up because each bale is held by net firmly.
- ❑ Cursor type adopted with twine model realizes more stable binding.
- ❑ Bale weight adjustment system is available.
- ❑ User friendly compact size bales (Easy handling by women, children and the elderly)
- ❑ Possible to start binding half way of baling process with just pushing one button in control box.
